Policy & Procedure Guide: Our Policy and Procedure guide was sent electronically to the email we have on file. The front office has hard copies if you would like a copy.

Class Schedules / Placements: The first few weeks of classes we will be evaluating class placements. If we see that your child needs to be placed in a different class, we will notify you. We are hoping all class changes will be completed by September 25.

Monthly Statements/Credit Card Payment

Statements are emailed to the account on file a few days before the first of every month, giving you time to review your account balance. If you are enrolled in automatic payments, the full balance will be charged to your card on the first of the month. If the first falls on a Sunday or a holiday your credit card will be charged on the next business day. **September tuition will be charged on Tuesday, September 1.**

If you signed up for automatic payments but they are not working, there could be a few possible reasons.

1. You may not have checked the box in your account profile authorizing us to charge your card.
2. The card entered may have expired.

Please let us know if you need any help-we're happy to assist.

Dress Code: Our dress code policies are outlined in our Policy and Procedure guide. That guide was emailed to the account email on file. Please let us know if you have not received it and we would be happy to email you another copy. We also have hard copies at the front desk. Quick reminders: no butterfly shorts, running shorts or crop tops/sports bras only.

Arriving/Departing: Students should wear street shoes to and from the studio. Please plan on dropping off students 5 to 10 minutes before their class starts. Dancers need time to put their dance shoes on and get mentally and physically ready for class. Parents should pick up students 5 to 10 minutes after their class time is finished. Dancers will need to get their dance bag, put their shoes away and say goodbye to their friends and teachers. When everyone adheres to pick up and drop off times, the process will go smoothly and will help alleviate traffic concerns. Please also be mindful of the speed limit on Jarvis (30mph). When dropping off/picking up, please pull your car up all the way forward to the end of the sidewalk (still allowing a space for cars to come out of the side lot) Do not stop at the main double doors. We are trying to get as many cars off of Jarvis as possible. If your dancer has class until 9:00 or 9:15 please pull into a parking spot while you wait for your dancer.
