

Dance Central COVID Safety Precautions & Guidelines

Summer 2020

<p>1. All dancers will need to fill out a COVID questionnaire each day they enter the dance studio. Here is the link: https://forms.gle/gShEn9dz87YBL2Be9</p>	
<p>2. Upon entering the studio all dancers will have their temperature checked.</p>	
<p>3. Dancers 10 and up will be required to wear a mask the entire time they are in the dance studio.</p>	
<p>4. We strongly recommend dancers 9 and under wear a mask.</p>	

5. All Dance Central staff and instructors will be wearing a mask.

6. Dancers will sanitize or wash their hands.

7. Dancers need to bring a water bottle with them and only the dance shoes they need for that day.

8. In the dance rooms dancers will have a designed spot for their personal belongings and for them to dance. Each studio has 6x6 foot squares on the dance floor to help with social distancing.

Miscellaneous

- Instructors are aware of the new challenges dancing in mask will create. Extra water breaks and moments for dancers to go outside will be included in their class.
- We have allowed extra time in our schedule for dance rooms to be sanitized and mopped between each class.
- Class sizes are limited.
- High touch areas will be wiped down every 15 minutes.
- Our viewing rooms and lobby area will be closed. Only dancers will be allowed in the building or parents that need to speak with our receptionist.
- Currently the water fountains have been removed. We have ordered a new water bottle refill station and hopefully it will be here soon!
- Touchless hand sanitizer stations are located in every dance room and hand sanitizer is located throughout the studio.
- In all our HVAC systems we have installed environmental conditioning systems that kill bacteria, mold & viruses.
- We also have portable air purifiers throughout the building.
- While we would love to hug and high five your dancer, staff and teachers will be practicing social distancing.
- Please let us know if you do not feel comfortable with your dancer coming to the studio. We would be happy to set up a Zoom class for your dancers.
