Recital Fees Are Now Due! If you are signed up for automatic credit card payment, you need to let the studio know that your dancer plans to dance in the recital. We do not automatically charge the recital fee. See below for more info.

Costume Drive for Charity: Don't need old costumes anymore? Dance Central is having a costume drive and donating them to Graceful Givings (must be in good condition)! Please bring in your costumes from November 11 – 23. Thank you!

Recital 2020 News: Our 17th annual recital will be on Thursday, June 4; Friday, June 5 and Saturday, June 6 at 7 p.m. at Cy Ranch High School. You will find out which night(s) your dancer will perform later. Please mark your calendars now for each date. Dancers will have rehearsal in the morning for several hours on his/her recital date.

Recital Fees are Now Due! Each student is invited to participate in Dance Central's annual recital. Admission to the recital is free. To offset the cost of renting the theater and the required personnel, a recital fee is due per student participating in the show. The budget for the show is based on total number of students participating; therefore, recital fees are not refundable. **The recital fee is \$90 after October 30.**

All recital fees are due by Saturday, November 9, 2019.

Participation in the recital is not mandatory. The recital is a wonderful opportunity for students to showcase what they have learned during the year and provides a wonderful non-threatening performance opportunity. If you have any questions about the recital or would like to volunteer your time to help to make this recital a success, please let us know.

Studio Updates: We are having some construction done over the next month to the blue room. We are having a wall built in the middle of the room in order to make two separate dance spaces. This wall will be flexible and we will be able to move it if we need a larger space.

Construction is only being performed during the day when there are no dancers at the studio. Please be patient with us as we get this done to help better match class size to room size.

Class locations will be the same for the time being, but we will be reviewing class sizes and determining if there is a better fit for certain groups in a different room. If we do change the location of your room, we will let you know. No class times or days will change.
