What We're Excited About...

Welcome to the 17th season! We are excited to have your dancers with us. It's going to be a great year full of fun, friendship, learning and growing.

Summer Adventures: Our company girls had a GREAT time at Dance Showcase USA Nationals in Arlington this summer! Four of our groups were chosen to re-compete in the Grand Showcase Finals. What an amazing experience! Great job, girls!

We also took a trip to New York and danced on a Broadway stage, watched the amazing The Lion King, took class at Broadway Dance Center, performed in Times Square, and wrapped it all up with a cruise around the Statue of Liberty. What an unforgettable trip with great memories!

Level Concerns: During the next few weeks, our teachers will be evaluating all dancers to ensure they are in the appropriate level class. Any discrepancies should be sorted out by September 14, but if at that time you have a concern please call the office.

News to Know!

Class Schedules / Placements – We are evaluating class placements. If we see that your child needs to be placed in a different class we will notify you.

We are closed Labor Day weekend! The studio will be closed from Saturday, Aug. 31 - Monday, Sept. 2.

Credit Card Payment NOTE: We are able to accept credit card payments for tuition, company fees, costumes and Dance Central merchandise. **You must come in to the studio and fill out a NEW form at the beginning of each school year.**

Arriving/Departing:

Students must wear street shoes to and from the studio. Please plan on dropping off students 5 to 10 minutes before their class starts. Dancers need time to put their dance shoes on and get mentally and physically ready for class. Parents should pick up students 5 to 10 minutes after their class time is finished. Dancers will need to get their dance bag, put their shoes away, and say bye to their friends and teachers. If everyone adheres to pick up and drop off times, the process will go more smoothly and it will help alleviate traffic concerns. Please also be mindful of the speed limit on Jarvis (30 mph). When dropping off/picking up, please pull your car up all the way forward to the end of the sidewalk (still allowing a space for cars to come out of the side lot). Do not stop at the double doors.
