News to Know!

Each new season offers exciting new opportunities and a time for me to reflect on Dance Central's mission statement. The mission of Dance Central is to educate, inspire, and motivate students of all ages and levels by providing quality technical instruction. In addition, Dance Central seeks to develop self-esteem, responsibility, self-discipline and setting and achieving goals. I am so proud of our faculty at Dance Central and the program they have helped me build. Because of their commitment to our mission statement, we are one of the bests dance studios in Cypress. Not only are we teaching appropriate technique, but we are teaching with passion, love, and joy! I am excited to see what our 19th season brings us!

We are closed Labor Day weekend! The studio will be closed from Saturday, September 4 – Monday, September 6.

Safety Procedures: We value open and transparent communication with our dance families. Therefore, we will send out emails if we are aware of a positive COVID case at the studio. Furthermore, emails will be sent out to the individual classes the student participated in. Please email Danielle at <u>dancecentral@sbcglobal.net</u> if your dancer is in quarantine and you would like him/her to Zoom their classes. While our lobby is currently open, please limit the amount of adults watching to 1 adult per child. We know how exciting it is to see your dancer do what they love, but we want to help keep all our dancers as safe as we can.

Dance Central is going paperless! Have you logged into your account to review and sign our policies and update your personal information? Please make sure to double check your dancers' grade, birthdate, and school! From your personal account you may also make a payment and review your statement. If you received this newsletter electronically you already have an account. Please do not create a 2nd account. <u>Click here to log into your account!</u>

Watch Your Email- Statements are currently being emailed to the email address we have on file. September tuition is now posted and is due by September 1. If you signed up for recurring bill payment, your credit card on file will automatically be charged on September 1. If monthly tuition is not paid by the 15th of the month, a late fee of \$10.00 will be charged to your account.

Interested in the recurring payment option? f you would like to authorize us to do recurring payment for your fees, please log into your Akada account, go to your credit card information, and click "yes to recurring." A credit card will need to be entered into our system. Once you enroll in this option, your ENTIRE balance will automatically be charged to the credit card on file the first of every month. If the first falls on a Sunday or a holiday your credit card will be charged on the next business day. If you were enrolled in the recurring billing program for the 2020-2021 dance season, you do not need to re-enroll.

Class Schedules / Placements – The first few weeks of classes we will be evaluating class placements. If we see that your child needs to be placed in a different class, we will notify you. We are hoping all class changes will be completed by Saturday, September 11.

Arriving/Departing- Students should wear street shoes to and from the studio. Please plan on dropping off students 5 to 10 minutes before their class starts. Dancers need time to put their dance shoes on and get mentally and physically ready for class. Parents should pick up students 5 to 10 minutes after their class time is finished. Dancers will need to get their dance bag, put their shoes away, and say goodbye to their friends and teachers. When everyone adheres to pick up and drop off times, the process will go smoothly and it will help alleviate traffic concerns. Please also be mindful of the speed limit on Jarvis (30 mph). When dropping off/picking up, please pull your car up all the way forward to the end of the sidewalk (still allowing a space for cars to come out of the side lot). Do not stop at the double doors.
