Classes begin August 17!

We are excited to begin our 18th dance season! It may look a little different than seasons past, but our staff is committed to giving your dancer a wonderful dance experience. **Please be sure to read through the Policy & Procedure guide that was sent to you in an email** – it has new information on how we will be running classes and frequently sanitizing the studio, parent observation information and more.

Fall Registration 🍁 🍁 🍁 🍁

Pre-registered students: If you pre-registered for the 2020-2021 dance season, schedules and statements will be emailed soon to the email on file. We tried to meet everyone's schedule requests based on the availability of certain classes.

If you have not pre-registered, fall registration begins on August 4.

Returning students – if you have not yet registered for fall classes, [please register via google form here](#).

New students – please call or come by the studio during the office hours listed beginning on August 4 to register your dancer(s).

Recital photos are here! Please come into the office to pick up your photos. It was so fun to see all these pictures!

Recital DVDs will be here soon. Watch your email and our facebook page for more information on our drive-through pickup.

Communication: This will be our last newsletter of our 17th season! We hope to see all of you soon, but we know this season has brought many challenges to our dance families. Stay safe and healthy and make each day great!

Email the studio to get your dancer signed up for
